World Premiere

Mill Valley Film Festival October 4-14, 2007
mvff.com

The future is the present in the V(ision)Fest – tomorrow's technology is today's medium for the imagination. V(ision)Fest mediamakers are the innovators and experimenters who are ready to shake, rattle and re-boot the state of cinema. Join us for the V(ision) Fest section celebrating artists who come from the glorious school of all possibilities.

mill valley film festival
